---

# Screen 1: The Gateway (Login)

### The Hero UI

- A clean, mobile-optimized landing page with the Bells University crest at the top.

---

### Fields

- **Full Name**
- **Matric Number**

---

### Primary Action Button

- **"Sign In" (Bells Blue)**

**Where it goes:**

- If the user is new → **Screen 2 (Onboarding)**
- If they are returning → **Screen 3 (Dashboard)**

---

### Secondary Action

- **"Need Help?" link at the bottom**

**Where it goes:**

- Opens a support modal with the Admin's contact info.

---

# Screen 2: Onboarding (Course & Profile Setup)

### Step 1: Academic Profile

- Dropdowns for:
    - **College**
    - **Department**
    - **Level**

---

## Step 2: Course Selection

### The Grid

- A list of checkboxes for standard courses in their level.

---

### The Search Icon (Magnifying Glass)

**Function:**

- Opens a search overlay to find and add **Carry-over** or **Elective** courses.

**Where it goes:**

- Stays on page but updates the "Selected Courses" list.

---

## Step 3: Device Binding

### Visuals

- A "Security Scan" animation.

---

### The Action

- A button labeled **"Secure My Device."**

---

### Function

- Triggers the **FingerprintJS** script to lock the account to that specific phone.

---

**Where it goes**

- Navigates to **Screen 3 (Dashboard)**.

---

# Screen 3: The Command Center (Dashboard)

## Top Header Icons

### The Notification Bell (Top Right)

- **Function:**
  - Opens **Screen 6 (Notification Center)**.

---

### The Profile Avatar (Top Left)

- **Function:**
  - Opens a read-only profile view showing their bound Device ID.

---

## The "Active Session" Pulse Banner

### Visuals

- High-contrast amber/yellow banner that only appears when a lecturer starts a session.

---

### Content

- *"LIVE: MTH 202 | LT2 | 14:22 remaining"*

---

### Action Button

- **"Check-In Now."**

---

**Where it goes**

- Opens **Screen 4 (Validation Gate)**.

---

### The Course Grid

#### Card UI

- Every course has a card with a **Circular Progress Bar** (Attendance %).

---

#### Lecturer Badge

- Small overlapping initial bubbles (e.g., `[AD] [OO]`).

---

#### The Arrow Icon (Chevron)

**Function:**

- Navigates to **Screen 5 (Attendance Log)** for that specific course.

---

# Screen 4: The Validation Gate (Check-In Modal)

### Visuals

- A dark overlay that focuses entirely on a 6-digit input.

---

### The 6 Boxes

- Large input boxes for the Room Code.

---

### The "Live Status" Tickers

#### GPS Icon

- Turns Green when `lat/long` is verified within 50m of the hall.

---

#### Device Icon

- Turns Green when the fingerprint matches the registered device.

---

### Primary Action

- **"Submit Attendance."**

---

### Where it goes

#### Success

- Full-screen Green Checkmark → back to Dashboard.

---

#### Failure (Mismatch)

- Red Alert screen.
- The attempt is sent to the lecturer's **Pending Approvals** list.

---

# Screen 5: The Attendance Log (Historical View)

### Header

- Course Name and Total Percentage.

---

### The Timeline

- A vertical list of every session held.

---

### Status Badges (The Icons)

#### Checkmark Icon (Green)

- Verified attendance.
- Includes lecturer initials `[AD]`.

---

#### X Icon (Red)

- Absent.

---

#### Calendar-Slash Icon (Blue)

- "No Class" day.

**Function:**

- If clicked, it shows a tooltip:
  *"Class cancelled by [Lecturer Initials]. No penalty to your score."*

---

### Back Arrow Icon (Top Left)

**Where it goes:**

- Returns to **Screen 3 (Dashboard)**.

---

# Screen 6: Notification Center

### The Feed

- A list of past activity.

---

### Actionable Items

**Session Started Alert**

- Clicking this takes them straight to the Check-In modal.

---

**Device Alert**

- *"A new device tried to log into your account."*

---

## Close Icon (X)

**Where it goes:**

- Returns to Dashboard.

---
